## COMMENTS:

This bill would:

- ? ? keep the California Breast Cancer Research Fund voluntary contribution on the tax return for another five years; and
- ? ? allow the University of California to use a portion of the fund to administer and market the Breast Cancer Research Program.

The August 13, 2002, amendment added coauthors and made a technical change. The department's analysis of the bill as introduced February 6, 2002, still applies.
